

Interested in performing at a S.H.A.R.E. Fest?

S.H.A.R.E. is an all-volunteer, non-profit environmental education and fund raising organization. We raise money by hosting invitation-only music festivals in the spring and fall each year. Most festival-goers camp with us for a few nights.

- MUSICIANS -

Thank you for your patience in getting a time-slot at a S.H.A.R.E. Fest. We try to be fair to the fantastic entertainers who have been loyal to us, while staying open to great, new music. Musicians always want to come back, so the pool grows and it takes that much longer to work everyone into the schedule. If you are interested in playing at one of the festivals, please contact us by using the contact form at:

<http://www.sharethetimes.org/contact.php> or by visiting us on Facebook.

The stage is run by a professional sound company. Expect individual monitor mixes run by a dedicated tech, a top-of-the-line bass rig and drum kit, and attentive stage personnel. Lighting is done by "off duty" pro's, and is impressive. Crowds are open-minded and enthusiastic. No fee for merchandizing.

If you have been contacted about having your band's original music performance participate in the "S.H.A.R.E. The Music" CD series, and need a new copy of the release waiver, you may download the Generic Recording Waiver in the "About Us" section of the website at <http://www.sharethetimes.org/about.php>.

Interested in the company you keep as a SHARE performer? Download the master list of past and present SHARE bands in the "About Us" section of the website at <http://www.sharethetimes.org/about.php>.

- WORKSHOP PRESENTERS -

The S.H.A.R.E. Fest has been honored to present some amazing workshops straight from the creative minds and educational talent of our very own circle of family and friends. When you share your knowledge with us, we all benefit. From yoga stretches for the entire family and performance art to guitar construction and environmental awareness, there will be festival-goers interested in what you have to teach!

If you are interested in providing a workshop at one of the festivals, please contact us by using the contact form at: <http://www.sharethetimes.org/contact.php> or by visiting us on Facebook.
