**S.H.A.R.E. Compilation CD - Performer Consent for Recording**

To all S.H.A.R.E. Festival Performers:

S.H.A.R.E. will be recording the Festival for the purposes of creating a compilation CD, to be sold at future S.H.A.R.E. events. All proceeds from the sale of this CD and any future CDs will go directly to S.H.A.R.E. The recording, production and CD mastering will be handled by Procyon Productions, with guidance from select S.H.A.R.E. members.

Your participation in this and any future recordings is entirely voluntary. If you choose to participate, you must agree to the following conditions by signing below. You should have been provided with two copies of this document, and should keep one for your reference.

**I/We, the undersigned performer(s), agree to:**

- 1) Allow S.H.A.R.E. and Procyon Productions to record my/our performance at the S.H.A.R.E. Festival in digital multi-track format for the purpose of selecting one or several songs for inclusion on the S.H.A.R.E. Compilation CD.
- 2) Provide Procyon Productions with accurate song titles and writer information as well. Only songs that I/We own the rights to will be considered for inclusion on the S.H.A.R.E. Compilation CD. "Cover Tunes" and contemporary songs that may be public domain will not be considered. A song that is considered "traditional" might be considered, but any decision to include such a song will be made solely at the discretion of Procyon Productions and S.H.A.R.E.
- 3) Allow Procyon Productions to produce the digital multi-track into digital stereo format in a studio environment. A stereo audience recording will be provided for the purpose of giving Procyon Production guidance on what song(s) I/We feel best represent my/our performance. I/We understand that for the purposes of this recording, I/We will not be able to participate in the actual production work itself.
